Dear Mr. Elsbree,

There is no disputing the long and steady record of commitment you've shown to the Working Class and their families. Your resolve to protect and fight for the rights, safety, and welfare of the hardworking employees of Kane County government makes you the clear choice to be the next Chairperson of the Kane County Board of Commissioners.

I am pleased to report that the Executive Board of the Elgin Association of Firefighters, IAFF Local 439 proudly and unanimously endorses your candidacy.

In Solidarity,
